Madison Elementary

Terrie Haley, Principal

Teresa Hicks, Assistant Principal

Dear Mustang Parents and Families,

Are you a member of our school PTA? Are you interested in volunteering? The home-school connection is a vital part of your child's academic and overall success. Please consider joining our PTA and/or volunteering to support our school.

Parent-Teacher conferences will take place on September 28th. The procedures and daily activities of your child's classroom should be familiar and comfortable to them by this time in the school year. If your child is experiencing any challenges or have any type of concerns, please contact your child's teacher at any time. We will be happy to visit with you on the phone or to schedule a meeting to talk together regarding ideas to help your child or the situation. Please don't ever hesitate to contact us; we want to help.

Mustang PRIDE,
Mrs. Haley

September Attendance Awards

The 3rd grade level was the highest attendance for September and will receive good attendance pencils. Throughout the year students with good attendance will have their names placed in a drawing for a chance to win a new bike! Students will also receive certificates and small tokens each month.

MES Attendance Rate

Aug.	96%	Jan.	
Sept.	96%	Feb.	
Oct.		Mar.	
Nov.		Apr.	
Dec.		May	

Calling all Dads for the Mustang Watch!!!

A special opportunity for Dads this year is the Madison Mustang Watch. This program will provide positive male role models for the students, demonstrated by their presence that education is important. All fathers, grandfathers, uncles and other father-figures may sign up. Please request a Madison Mustang Watch form or stop in our office to sign up. Dads commit to volunteer 1-3 hours a year.

Mustangs of the Month

Grade levels recognized students who have demonstrated the 3R's throughout the month. Be **R**espectful, Be **R**esponsible, and Be **R**eady.

- Ellie Middlebrook
- Jordyn Wilkerson
- Rylee Atkins
- Samantha Gaitan
- Alex Jones

STEM Day at Madison

On October 18th we will be participating in a STEM Day at Madison. STEM stands for Science, Technology, Engineering and Math. Each class will be doing stem activities to enrich their current curriculum. All activities will be completed during school. We would love any volunteers that would like to help that day as an extra pair of hands. Please contact your child's teacher to arrange this. There will also be a fun take home STEM activity. The students will be encouraged to participate but are not required too. Several projects will be chosen to be displayed at the Stem/Science Fair.

Announcing MES School Counselor

Hello Madison Mustangs! My name is Stephanie Robertson and I am so excited to start as Madison's school counselor! I received my M. Ed. Degree from Liberty University in School Counseling and a B. A. degree in Mathematics Education and Music from Elon College. I am a graduate of Atlee High School in Hanover County. I have taught mathematics at Atlee since 2000. I have worked at Cool Spring Elementary School and Oak Knoll Middle School during my graduate program. I have been happily married for thirteen years to my husband Ryan and have two daughters, Keriana (6th grade) and Rylee (4th grade). I stay busy with my family while supporting their love of horses, dance, gymnastics, Redskins football and fishing. I enjoy spending time with family and friends, reading, playing piano, helping at my church, and volunteering with Comfort Zone Camp. I look forward to being an advocate for all students and being able to promote life-long learning through the counseling program. I look forward to an awesome school year while getting to know all the wonderful students and faculty of Madison Elementary School.
