Caroline County Public Schools Elementary Summer Reading

Children enjoying summer reading

Students: Take some leisure time this summer to enjoy reading! Enclosed you will find reading suggestions that have been carefully selected to entertain you while you enjoy your lazy days of summer.

Parents: Remember the importance of reading aloud to children. ALL children can benefit from having books read to them and most love it!

Use these titles to help your children select books that suit their interests.

Read to Succeed!

Return the completed reading log to the school media specialists in August for free book that recognizes your summer reading efforts!

Rising Kindergarten & First Grade:

Nursery rhymes, ABC books, fairy tales, and folk tales are great for children this age. Picture books are also great, but remember that some may be more appropriate for reading aloud than independent reading due to difficult vocabulary.
