The Caroline County School Board held its annual summer retreat at the Hanover Tavern on July 27, 2017. The retreat kicked off with a book talk on “Improving School Board Effectiveness” then focused on aligning Board efforts with the newly adopted strategic plan, Pathways 2022. The retreat agenda concluded with an introduction to the benefits associated with a potential adoption of Board Docs. Thank you to Dr. Parker, Dr. Calveric, Lisa Stevens, and all School Board Members for everyone’s high level of engagement and commitment to excellence for CCPS.

As the pioneer of board management services, BoardDocs has helped over 2,000 organizations dramatically lower costs, increase transparency and reduce time-of-staff by up to 75 percent. BoardDocs' next-generation, cloud-based services allow organizations to significantly improve the way they create and manage board packets and access information. CCPS School Board is investigating whether this digital service would enhance overall organizational effectiveness and support Pathways 2022 progress monitoring. Stay tuned!
