Information & Updates

Welcome New Employees

The School Board approved the CCPS list of licensed and support personnel for the 2017-2018 school year. Only a few vacancies remain. Please note, HR is still offering gift card recognition to any current employee who refers a staff member who is hired for the 17-18 school year. Contact Vicki Morrow at vimorrow@ccps.us to share any strong leads!

Meet & Greet with CMS Principal

Karen Foster was introduced to the School Board last evening! Mrs. Foster shared her excitement about joining the CCPS team and Eagle family. A CMS Meet & Greet for all staff will be held on **Wednesday, June 28 at 9:00**. Students, parents, and community members are invited to a Meet & Greet event on **Thursday, June 29 at 4:00**. Mrs. Foster looks forward to working collaboratively with all CMS stakeholders during the 17-18 school year.

With a unanimous vote, the 2016-2017 school year budget was approved to be "closed out" as of June 30, 2017.

CCPS is fortunate to have had two CMS history teachers selected to participate this summer in a curriculum development opportunity in South Korea. The School Board approved financial support to help defray travel expenses. We look forward to having Sara Gibson and Ruth Judd share their experiences at a future School Board meeting.

OWPR and Geoffrey Honan, CCPS Supervisor of Maintenance, presented an update on the new CTE spaces at Caroline High School. During the presentation, they highlighted the Innovation Lab and the Nurses' Lab. These labs will provide specialized equipment and increased opportunities for advanced career and technical education.
