October is Disability History and Awareness month. Disability history education and awareness will promote positive attitudes in schools creating a culture of mutual respect, understanding and equal opportunities for all. Public awareness, knowledge and understanding of disabilities promote full participation by students with disabilities into school and community activities. Heightened awareness of individual contributions by people with disabilities advances inclusive communities.

CCPS Strategic Planning

CCPS is beginning a new 5-year strategic planning process, which will assist the school division with setting priorities, focusing energy and resources, strengthening

operations, ensuring that employees and stakeholders are working toward common goals, establishing agreement around intended outcomes, and assessing and adjusting the organization's direction in response to a changing environment.

A CCPS steering committee, comprised of students, staff, parents, community members, school board members, and administration, will be developed in the coming weeks. Phase I of the strategic planning process will engage steering committee members in the following: departmental scans, a division SWOT analysis, and a review of mission, vision, and core values.

Questions associated with the Strategic Planning Process can be directed to Dr. Sarah Calveric, Assistant Superintendent of Instruction.

CEF Innovation Grant

CCPS is excited to partner with The Caroline Education Foundation to offer teachers the opportunity to apply for a CEF Innovation Grant. A total of \$3,500 in funding is available for the 2016-2017 school year. These grants encourage and reward innovative classroom instructional approaches supportive of college and career readiness, technology integration, critical thinking/problem solving, STEM/STEAM, project based learning, student leadership/collaboration, etc. The Caroline Education Foundation will award Innovation Grants between the amounts of \$200 minimum to \$500 maximum per selected applicant or team of applicants (no more than two applicants per grant application). The application window will begin on October 17 with the CEF committee notifying recipients in late November. Applications will be emailed to all CCPS teachers on **Monday, 10/17**. Grants packets should be submitted to the Caroline Education Foundation – School Board Office (Attention Mrs. Sandy Ware) by **5:00 on Friday, 11/11**. Additional information will be available on Monday, 10/17 on the Caroline Education Foundation tab on the CCPS website.
